56th Croatian & 16th International Symposium on Agriculture

14 - 19 February, 2021 - Hotel Olympia Sky ***** - Vodice, Croatia

FIRST ANNOUNCEMENT

Invitation

You are invited to participate in the 56th Croatian & 16th International Symposium on Agriculture with an oral communication, poster presentation, presentation of your institution/company or as a participant.

The main goal of the Symposium is to present to the agronomists and the general public the results of scientific and professional work of Croatian and international specialists and in this way enable a better transfer of scientific and professional achievements into agricultural production. We also wish to establish better collaboration between scientists from different universities, research institutions and specialists from industry, trade and other related activities, that is, producers from Croatia, Europe and the rest of the World in their common field of interest in science and agricultural practice.

Preliminary program

The work of the Symposium will proceed in the following sections:

1	Agoecology, Organic Agriculture and Environment Protection
2	Agricultural Economics and Rural Development
3	Genetics, Plant Breeding and Seed Production
4	Vegetable Growing, Ornamental, Aromatic and Medicinal Plants
5	Field Crop Production
6	Fisheries, Game Management and Beekeeping
7	Animal Husbandry
8	Pomology, Viticulture and Enology
9	Agricultural Technics

Papers not covered directly by the listed sections or themes, and belonging to the agricultural field (plant protection, food, etc.) will be allotted to one of the existing sections. Symposium preliminary schedule is as follows:

Day/date	Program
Sunday 14 February 2021	Registration of participants Welcoming cocktail
Monday 15 February 2021	Registration of participants / Opening ceremony Plenary lectures / Round table
Tuesday 16 February 2021	Genetics, Plant Breeding and Seed Production Fisheries, Game Management and Beekeeping Vegetable Growing, Ornamental, Aromatic and Medicinal Plants Field Crop Production Agricultural Economics and Rural Development Gala dinner
Wednesday 17 February 2021	Animal Husbandry Agoecology, Organic Agriculture and Environment Protection Pomology, Viticulture and Enology Agricultural Technics
Thursday 18 February 2021	Excursion and lunch for the participants of the symposium
Friday 19 February 2021	Departure

Official languages

The official languages of the Symposium are Croatian and English. Simultaneous translation will be provided for plenary presentations. Participants with oral presentations in Croatian language must have PowerPoint presentation/poster in English language.

Registration

To register / apply for an article title, you must complete the online form no later than ~~5 October~~ **19 October 2020**. If the application is fully completed, you will receive an automatic confirmation of registration.

Instruction to authors

Scientific papers will be included in the electronic record of Book of Abstracts (for authors who choose not to have complete papers published) and in the Proceedings which have ISBN and CIP. Authors may submit only an abstract/summary or a complete paper (including abstract) not exceeding 5 pages. All abstracts and papers will be cited in CAB database. All abstracts and papers will be reviewed by international reviewers. Publication of abstracts in the Book of Abstracts enables subsequent publication of presented papers in a thematic issue of Poljoprivreda - Agriculture (<http://www.fazos.unios.hr/poljoprivreda>) or in other publications.

Contributions should be sent electronically to the e-mail address: sa@fazos.hr by **31 October 2020** at the latest. When submitting papers, the authors should state whether they intend them for oral or poster presentations. Section moderators retain the right to select oral communications. Contributions for the poster section must be sized precisely 700 × 1000 mm (width × height), poster presentations is done within each section with oral exposure for up to three minutes.

Papers with a positive reviewer's opinion will be published in the Book of Abstracts or in the Proceedings if at least one registration fee was paid per paper by 22 January 2021. Registration fee entitles only the author in whose name it has been paid to participate in the Symposium.

INSTRUCTIONS FOR PREPARATION OF ABSTRACTS

(authors submitting only abstracts)

Abstracts in English should be written in Microsoft Word, font Times New Roman, size 12 points in the attached template (SA2021 Abstract Template). **WE KINDLY ASK AUTHORS TO FOLLOW INSTRUCTIONS AND USE ATTACHED TEMPLATE FOR ABSTRACT SUBMISSION. ABSTRACTS NOT PREPARED ACCORDING TO THE INSTRUCTIONS AND IN THE ATTACHED TEMPLATE WILL BE RETURNED TO THE AUTHORS.**

Use single spacing with justified alignment. Abstracts should contain the aim of the paper, essential research results and a brief conclusion. If only abstracts are submitted, the authors are advised not to make them too short (1500 characters, including spaces) or too general. Not more than five keywords should be given, separated by commas.

- The title should be brief and precise, not more than 100 characters without spaces.
- Abstracts should not contain tables, graphs, drawings, etc.

Files with abstract should bear the section code and the author's surname (e.g. 1Surname) and should be sent to the e-mail address: sa@fazos.hr by **31 October 2020**.

INSTRUCTIONS FOR PREPARATION OF PAPERS

Papers for the Symposium may be written in English or in Croatian. **WE KINDLY ASK AUTHORS TO FOLLOW INSTRUCTIONS AND USE ATTACHED TEMPLATE (SA2021 Paper Template) FOR PAPER SUBMISSION. PAPERS NOT PREPARED ACCORDING TO THE INSTRUCTIONS AND IN THE ATTACHED TEMPLATE WILL BE RETURNED TO THE AUTHORS.**

- Paper length, including text, tables, graphs, figures (title, abstract, keywords in English and Croatian) should not exceed 5 pages, A-4 format. Plenary lectures should not be longer than 10 pages.
- Authors are advised to make the maximum of the offered 5 pages, which will contribute to the quality of the paper and the Proceedings.
- Papers should contain: title, list of authors (in one line), authors' addresses (1 line for each address), abstract, keywords, introduction, material and methods, results and discussion, conclusions, references).
- Full names and surnames of authors are written without titles. If all authors are not from the same institution, this should be marked by superscripts. Only for the contact person, E-mail should be added to the full address. As the Symposium has an international character, names of countries should be added to the addresses.
- Abstracts contain the aim of the paper, essential research results and a brief conclusion. The authors are advised to make their abstracts short (700 characters, including spaces). Not more than five keywords should be given, separated by commas.
- Papers will be reviewed by at least two reviewers from relevant fields.

Files with paper should bear the section code and the author's surname (e.g. 1Surname) and should be sent to the e-mail address: sa@fazos.hr by **31 October 2020**.

We thank all authors for their cooperation
