

1st International Joint Congress

Santo Stefano di Camastra (Italy)

10-14 November 2021

Sustainable Management of Cultural Landscapes in the context of the European Green Deal

The **European Society for Soil Conservation (ESSC)** & the **European Ecocycles Society (EURECYS)** are delighted to invite you to their 1st International Joint Congress (*10 – 14 November 2021; Santo Stefano di Camastra, Italy*).

The Congress, titled “*Sustainable Management of Cultural Landscapes in the context of the European Green Deal*”, is open to scientists, students, educators, land managers, regional developers, policy and decision-makers.

It will consist of invited lectures, scientific sessions and workshops with oral and poster presentations, and a scientific and cultural excursion.

Call for papers, info on sessions and more, are on the congress web page: <https://www.ecocycles.net/ESSC-EURECYS-Congress/>

We are looking forward to meeting you in Sicily!

Kind regards:

Carmelo Dazzi
President of ESSC

Tamas Kórnives
President of
EURECYS

Giuseppe Lo Papa
President of the
Organizing Committee

Sándor Némethy
President of the
Scientific Committee
